

Cascina Aie - Roveta Cottage Check-in Help Sheet

For *both* of the cottages and for the bed & breakfast, **your first destination will be the farmhouse** (the Cascina) at **Trisobbio**, to collect the keys. Note there are two villages, and both with similar names.

Guests should aim to arrive from 16.00 to 20.00. **Please appreciate that the farmhouse is where we live.** It is also where we have other guests to stay. We are not always here, or we may be outside in the fields, where there is always lots to do

ETA Helps us to help you. Keep us up-to-date with any changes to your Estimated Time of Arrival. If you have a cell phone, make sure that we have the number. We may need to contact you.

In cases of flight **delay** or vehicle breakdown, please text us to advise - 24Hr hotels (which we are not) can be found near airports and at various motorway service areas. *Very late or very early arrivals should be avoided.* They may be subject to surcharge or declined

For **SatNav**, and **Google maps** search first by 'City' eg 'Trisobbio' - then by 'Street' key words eg 'San Rocco'. Alternatively enter the gps codes. *See the separate SatNav help sheet*, for more details.

A common cross-link problem is searching 'Via San Rocco 15070 Trisobbio' which will often route you to the town of Prasco, 12 km away - In Italy postcodes can cover several square kilometres. The cottages and the farmhouse all share the same postcode.

Addresses: *your first destination will be the farmhouse* -

The Farmhouse: Cascina Aie, Via San Rocco 1, 15070 Trisobbio (AL) (gps 44.663002, 8.587307)

Roveta Cottage, Loc. Roveta 27, 15070 Tagliolo Monferrato, (AL) (gps 44.637767, 8.677475)

On exiting the motorway A26, at Ovada, follow the **blue signs for Alessandria**. (SP185) - These will take you into Ovada itself and then over a river. (the left hand bridge)

Immediately after the bridge, you will see the (SP200) signposts for Trisobbio and Cascina Aie, on the left. Stay on this road for 8km. In around ten minutes you will be at the village. You will see further signs for the Cascina.

After you have collected the keys, from Trisobbio, re-follow SP200 to Ovada and the **green A26 signs**.

From motorway: take the road to *Belforte* - Pass through the village and 2 kms further on (by a black and white striped chapel) is a left turn for Tagliolo - immediately, 50 metres after that junction, is a backward turn to the right, signposted to *Cherli* - Nearly there, continue about 300mt to a left turn, again to *Cherli*. The cottage is about 100mt down, on the right, in a group of six houses, and signed clearly 'Casa Vacanza'. (Holiday house)
